Training seminar on the implications of law and ethics in medical practices

Within the framework of the KEDIVIM Center for Advanced Education and Lifelong Learning, the University of Thessaloniki Law School, and in particular the Laboratory of Medical Law and Bioethics, which operates in the School, organized, in cooperation with the National Bioethics Committee and the European Public Law Organization (EPLO) a training seminar of 20 hrs entitled "**Medical Practices: Legal and Ethical Issues - SPECIAL PART: Policies and Practices with regard to Medicine**". The training seminar took place at the EPLO premises in Plaka **Friday 30th of November 2018 and Saturday 1st of December 2018**. The working language was Greek.
