Seminar for high school students: Learning more about Europe

The Foundation of the Hellenic World in collaboration with the European Law and Governance School (ELGS) of the European Public Law Organization (EPLO) organized a seminar course for high school students on the subject:

“Learning more about Europe. What it is and what it can do for me: Studies, Work and Career Prospects”

The seminar was held on the weekend of **16-17 February, 2019** at the Hellenic Cosmos Cultural Center

The seminar was provided by ELGS University Professors with the aim to introduce students to the structures of the European Union, the challenges the EU faces nowadays but also the gains of focusing on European studies and what the professional development could be.

The program was addressed **high school and University students**.

A **certificate of attendance** will be issued at the end of the program.

Objective: To share and explain to high school and University students the structure and offer of Europe to Greece and the world as well as to highlight possible areas of study and professional development within the European context.
