Procurement

Welcome to the European Public Law Organization (EPLO) Procurement Webpage.

The following general principles shall be given due consideration when exercising the Procurement functions of the European Public Law Organization:

- Best value for money;
- Fairness, integrity and transparency;
- Effective international competition;
- The interest of the Organization.

Vendor Registration

All potential Vendors, seeking to be registered into the EPLO List of Vendors, must supply filled in the [Vendor Registration Application \(VRA\)](#) along with detailed information demonstrating experience and qualifications in provision of the relevant products/services.

Expression of Interest (EOI)

The Expression of Interest, placed on this website is intended to inform the potential Vendors about anticipated solicitations for purchase of products/services.

Firms/organizations interested in a particular EOI that have not yet been registered with the EPLO Procurement Office must submit [Vendor Registration Application \(VRA\)](#) along with detailed information demonstrating experience and qualifications in provision of the relevant products/services.

The EOI does not constitute a solicitation. The Organization reserves the right to change or cancel the requirement at any time during the EOI and/or solicitation process.

-Expression of Interest: Purchase of earth works and gardening services for the open space area in our premises at Legrainia

-Expression of Interest: Purchase of required services and works for the Development of the Learning Management System of the Institute of Public Administration of Jordan

Please find the relevant information attached in this page.
