## ELGS Summer Intensive on Comparative Law & Global Governance 2019

### ELGS Summer Intensive on Comparative Law & Global Governance

July 22-26, 2019

This week-long program discusses the latest developments on Global and European governance and covers both constitutional and institutional issues, global administrative law, and issues of soft governance.

Designed for: Master's level students from all fields of social sciences such as law, politics, economics, sociology, history, philosophy and international relations, as well as political scientists, civil servants, lawyers and officials of international organizations and domestic administrations who seek ways to continue their education. The participants will attend classes in the various fields conducted by eminent professors from prestigious Universities from all over the world. All the courses will be seminar-like classes and colloquia, and the active class-participation will be encouraged.

Structure of the Program: comprised of 3-hour sessions taking place twice a day. The program takes place at the EPLO facilities in Sounion which are located one hour away from Athens by car, very close to the Poseidon temple, overlooking the Aegean Sea.

#### 2019 Curriculum:
