EPLO Academic Programs also ONLINE

The EPLO announces that EPLO and ELGS academic programs as well as summer courses will be conducted as scheduled but also online for all those who will not be able to travel due to the unexpected conditions imposed by the pandemic of COVID-19.

ELGS degree and summer programs as well as EPLO degrees are expected to run smoothly from the EPLO premises in Athens, Greece which is one of the countries that has so far limited spread of the virus due to the early application of restrictive measures.

However if the situation will not permit there is provision of all academic programs taking place online in simultaneous e-learning mode.

Applications for most of the programs has been extended to the end of May and early June.
