International conference on the occasion of the Greek Presidency at the Council of Europe

The European Public Law Organization (EPLO) in the framework of the Hellenic Presidency at the Council of Europe organized with the Hellenic Ministry of Foreign Affairs and the Region of Attica, an International Conference on "**The European concept of State as "Service Public" and crises**".

The Conference took place on **Tuesday, 29 September, 2020** and following the new measures taken by the Greek Government, the Conference took place **exclusively online**.

The Conference was held under the auspices of H.E. the President of the Hellenic Republic, Ms. **Katerina N. Sakellaropoulou**.

Find attached the program of the Conference on the right side of the webpage.

The Conference was kindly supported by the Athenian Brewery and VOLVO Cars.
