New EPLO Regional Branch in Portugal - Agreement signed with the Portuguese Republic

In a beautiful ceremony at the residence of the Portuguese Ambassador in Athens, the Portuguese Republic and the EPLO signed on Friday, 16 October, in presence of authorities and friends the Headquarters Agreement with Portugal for the establishment and functioning of an EPLO Regional Branch in Portugal (Cascais) with full privileges and immunities.

This agreement is an important step in the development of EPLO's activities in Portugal which has been a member of EPLO since January 2017.

The Municipality of Cascais has already dedicated to the EPLO the prestigious Casa Santa Maria building on the Atlantic shore.
