EPLO creates a new Academy for Taxation and Accounting

The European Public Law Organization is pleased to announce the establishment of the EPLO Tax and Accounting Academy, which was set up to study and promote issues related to taxation, accounting, budgeting, to organize relative events and conferences, seminars and study programs and finally to provide technical assistance to other countries through international programs in relation to the study and transformation of tax and accounting legislation.

President of the Academy and Head of its Scientific Council is the Lawyer Mr. George S. Mavraganis, former Deputy Minister of Finance (2012-2015) and partner in the law firm MK legal. The Scientific Council of the Academy consists of the following Members:

- 1.
2. [Constantinos Caramanis](#), Professor of Accounting, School of Business, Department of Business Administration, Athens University of Economics and Business.
3. [Antonis A. Demos](#), Professor in Banking and International Finance, School of Economic Finance, Department of International and European Economic Studies, Athens University of Economics and Business.
4. [Angelos Gregoriades](#), Member of the Board of Central Bank of Cyprus, former Senior Partner of KPMG Cyprus.
5. [Katerina Perrou](#), Lawyer specialized in Tax Law
6. [Eleni Theocharopoulou](#), Associate Professor of Tax Law at the Law School of Democritus University of Thrace.
7. [Demetris G. Tsagaris](#), economist and certified accountant, founder of F.A.O. Economics SA.

Thus the activity of the European Public Law Organization expands to wider scientific fields and a series of timely activities.

EPLO is widely known for its two other academies, the Academy of European Law and the Academy for Transparency and Human Rights, the European Law & Governance University School (ELGS), the European Institute for Management and Governance, the Training Institute for Law and Governance, the Institute for Culture - Nikos Svoronos, the Institute for the Mediterranean, the Institute for Local Governance and Policy Innovation, the Institute for Privacy Law, Data Protection and Technology, the Institute for Sustainable Development and the Institute of Circular Economy & Climate Change.
