Webinar Series on Tech Transfer

The 4th and final Webinar from the Tech Transfer series that takes place on 26th of May via zoom, at 14.00pm Athens time.

Webinar 4 – «From Research to Market» consists of three distinct but interdependent units. The first is dedicated to research centers, the second to university-level institutions, and the third to EquiFund Innovation Window Funds and their support for technology transfer over the last three-and-a-half years.

You may find attached the agenda and further information for the webinar [here](#)

The event is under the auspices of the Sectoral Scientific Council for Technology Transfer and Intellectual Property at the National Council for Research and Innovation (NCRI). Co-organized by the Athens Center for Entrepreneurship and Innovation (ACEin), the Athens University of Economics and Business, the Institute for Intellectual Property Rights and Innovation (IPRI) at the European Public Law Organization (EPLO) and the Hellenic Industrial Property Academy (HIPA).

Webinar 2- On Wednesday, 31 March 2021, 17.00 – 19.00, Uni.Fund and [Onassis Foundation](#) co-organized the 2nd Webinar of the Series of Webinars on Tech Transfer, which are jointly organized by the [Athens Center for Entrepreneurship and Innovation \(ACEin\) of the Athens University of Economics and Business](#), the [EPLO Institute for Intellectual Property Rights and Innovation](#), and the [Hellenic Industrial Property Academy](#). The 2nd Webinar, entitled “**How a TTO protects technologies through patents and other forms of intellectual property: An overview of policy, compliance, terms and agreements**” is held under the auspices of the Sectoral Scientific Council of Tech Transfer & IP of the National Council for Research, Technology & Innovation
