OBJECTIVE

VR-DigiJust contributes to the effective and coherent application of specific EU judicial cooperation instruments at regional level through a decentralized cross-border and cross-professional training strategy in the framework of the Council Conclusions 6926/21.

ACTIVITIES

- WP 1: Project management and coordination

WP 2: Participative Training through Communities of Practice (COPs) & Regional Networks: VR-DigiJust will establish a European network of judges, prosecutors, lawyers and court staff to be engaged in the needs assessment and identification of relevant training topics as consequence of EU cases such as Enchrochat and Sky ECC and design a training network for the coordinated management of the EU judicial cooperation tools at territorial level.

- WP 3: e-Training 'Capsules' and Courses Piloting for the 'Network of Regional Judicial Training Centres'
- WP 4: Capacity building activities through which two integrated activities will be developed: (a) Training for the Trainers (ToT) and (b) Sustained Training for regional judges, prosecutors and lawyers.
- WP 5: Dissemination, Outreach & Exploitation of results
