Memorandum of Understanding between the EPLO and the University of Patras

> **ON OCTOBER 24, 2016**, a Memorandum of Understanding was signed between the EPLO and the University of Patras which foresees the cooperation between the two parties on activities of common interest.

The activities focus inter alia, on the promotion and implementation of education and training programs, on the co-organization of conferences, meetings and events, on the implementation of research programs and innovative initiatives and the exchange of teaching materials.

The MoU was signed by the Rector of the University of Patras Professor Venetsana Kyriazopoulou and the Director of the EPLO Professor Spyridon Flogaitis.
