A workshop on the political philosophy of money

"Political philosophy of money" is the title of the scientific and research workshop organized by the European Public Law Organization (EPLO) on **Thursday December 1st, 2016**, at its Kolonaki premise (16, Achaïou St) **at 18:30**.

The main speakers of the workshop are:

- > Thomas Noutsopoulos, Assistant Professor of Political Theory, University of Crete.
- > Apostolos Pantazis, Lecturer of Social Theory, Democritus University of Thrace.
- > Napoleon Maravegias, Professor of Political Economy, National and Capodistrian University of Athens and Deputy Rector of the same University.
- > Theodoros Georgiou, Professor of Political Philosophy, Democritus University of Thrace.

The coordination and direction of the discussion will be done by the artist **Panos Charalambous, Dean of the School of Fine Arts in Athens**.
