Scholarships from the Region of Central Greece

The awarding of two scholarships for the educational program of the European Law & Governance School was decided by the Region of Central Greece within the context of an MOU signed by the Regional Governor Kostas Bakoyannis and the Director of the European Public Law Organization (EPLO) Professor Spyridon Flogaitis.

It refers to the granting of two scholarships, which will be evaluated and selected by the EPLO, and will be financed by the Region of Central Greece. The aim of the program is to train students in the fields of European Law and European Governance as well as to familiarize with public policy and international relation concepts and tools at a national and regional level.
